

Annual Report on the Activities in the TEMPUS IV Joint Project "SEE Doctoral Studies in Mathematical Sciences" JP 144703 - 2008

University of Tuzla

10th December 2009

Workshop on core subjects and quality assurance

The University of Tuzla organised Activity II.1.5: Workshop on core subjects and quality assurance that was held in Tuzla, November 04th - 08th 2009.

Workshop on core subjects and quality assurance

The University of Tuzla organised Activity II.1.5: Workshop on core subjects and quality assurance that was held in Tuzla, November 04th - 08th 2009.

The topics covered in the workshop were

Workshop on core subjects and quality assurance

The University of Tuzla organised Activity II.1.5: Workshop on core subjects and quality assurance that was held in Tuzla, November 04th - 08th 2009.

The topics covered in the workshop were

- Brief overview of Year One activities

Workshop on core subjects and quality assurance

The University of Tuzla organised Activity II.1.5: Workshop on core subjects and quality assurance that was held in Tuzla, November 04th - 08th 2009.

The topics covered in the workshop were

- Brief overview of Year One activities
- SEE Doctoral Year in Mathematical Sciences

Workshop on core subjects and quality assurance

The University of Tuzla organised Activity II.1.5: Workshop on core subjects and quality assurance that was held in Tuzla, November 04th - 08th 2009.

The topics covered in the workshop were

- Brief overview of Year One activities
- SEE Doctoral Year in Mathematical Sciences
- Activities on PhD curricula at partner institutions

Workshop on core subjects and quality assurance

The University of Tuzla organised Activity II.1.5: Workshop on core subjects and quality assurance that was held in Tuzla, November 04th - 08th 2009.

The topics covered in the workshop were

- Brief overview of Year One activities
- SEE Doctoral Year in Mathematical Sciences
- Activities on PhD curricula at partner institutions
- Sustainability and quality assurance issues

Workshop on core subjects and quality assurance

The University of Tuzla organised Activity II.1.5: Workshop on core subjects and quality assurance that was held in Tuzla, November 04th - 08th 2009.

The topics covered in the workshop were

- Brief overview of Year One activities
- SEE Doctoral Year in Mathematical Sciences
- Activities on PhD curricula at partner institutions
- Sustainability and quality assurance issues
- Dynamic web - portal

Workshop on core subjects and quality assurance

The University of Tuzla organised Activity II.1.5: Workshop on core subjects and quality assurance that was held in Tuzla, November 04th - 08th 2009.

The topics covered in the workshop were

- Brief overview of Year One activities
- SEE Doctoral Year in Mathematical Sciences
- Activities on PhD curricula at partner institutions
- Sustainability and quality assurance issues
- Dynamic web - portal
- Dissemination

Workshop on core subjects and quality assurance

The University of Tuzla organised Activity II.1.5: Workshop on core subjects and quality assurance that was held in Tuzla, November 04th - 08th 2009.

The topics covered in the workshop were

- Brief overview of Year One activities
- SEE Doctoral Year in Mathematical Sciences
- Activities on PhD curricula at partner institutions
- Sustainability and quality assurance issues
- Dynamic web - portal
- Dissemination
- Miscellaneous discussion

Workshop attendees

Andrey Andreev (Sofia)

Muharem Avdispahić (Sarajevo)

Fehim Dedagić (Tuzla)

Dončo Dimovski (Skopje)

Stoyan Dodunekov (Sofia)

Vladimir Jovanović (Banja Luka)

Franz Kappel (Graz)

Petar Kenderov (Sofia)

Workshop attendees

Fatos Kopliku (Shkodra)
Miroslav Marić (Belgrade)
Dragan Marušić (Koper)
Vedad Pašić (Tuzla)
Zenan Šabanac (Sarajevo)
Alexandra Soskova (Sofia)
Zorica Stanimirović (Belgrade)
Takis Vlamos (Athens)
Borko Vujičić (Podgorica)

Topic overview

- **Brief overview of Year One activities -**

Topic overview

- **Brief overview of Year One activities** - In a very rich and broad array of activities in the first year, special emphasis was given to the Ohrid Workshop, its outcomes and results.

Topic overview

- **Brief overview of Year One activities** - In a very rich and broad array of activities in the first year, special emphasis was given to the Ohrid Workshop, its outcomes and results.
- **SEE Doctoral Year in Mathematical Sciences** -

Topic overview

- **Brief overview of Year One activities** - In a very rich and broad array of activities in the first year, special emphasis was given to the Ohrid Workshop, its outcomes and results.
- **SEE Doctoral Year in Mathematical Sciences** - The choice of topics for the Doctoral Year that was made by the Academic Board was discussed and several new conclusions were reached.

- **Brief overview of Year One activities** - In a very rich and broad array of activities in the first year, special emphasis was given to the Ohrid Workshop, its outcomes and results.
- **SEE Doctoral Year in Mathematical Sciences** - The choice of topics for the Doctoral Year that was made by the Academic Board was discussed and several new conclusions were reached.
- **Activities on PhD curricula at partner institutions** -

Topic overview

- **Brief overview of Year One activities** - In a very rich and broad array of activities in the first year, special emphasis was given to the Ohrid Workshop, its outcomes and results.
- **SEE Doctoral Year in Mathematical Sciences** - The choice of topics for the Doctoral Year that was made by the Academic Board was discussed and several new conclusions were reached.
- **Activities on PhD curricula at partner institutions** - The various activities concerning PhD studies at partner Universities like Belgrade, Skopje, Sarajevo, Sofia etc were discussed.

Topic overview

- **Brief overview of Year One activities** - In a very rich and broad array of activities in the first year, special emphasis was given to the Ohrid Workshop, its outcomes and results.
- **SEE Doctoral Year in Mathematical Sciences** - The choice of topics for the Doctoral Year that was made by the Academic Board was discussed and several new conclusions were reached.
- **Activities on PhD curricula at partner institutions** - The various activities concerning PhD studies at partner Universities like Belgrade, Skopje, Sarajevo, Sofia etc were discussed.
- **Sustainability** -

Topic overview

- **Brief overview of Year One activities** - In a very rich and broad array of activities in the first year, special emphasis was given to the Ohrid Workshop, its outcomes and results.
- **SEE Doctoral Year in Mathematical Sciences** - The choice of topics for the Doctoral Year that was made by the Academic Board was discussed and several new conclusions were reached.
- **Activities on PhD curricula at partner institutions** - The various activities concerning PhD studies at partner Universities like Belgrade, Skopje, Sarajevo, Sofia etc were discussed.
- **Sustainability** - There are several points related to sustainability that were raised, funding being the most problematic one. Several suggestions were given on how to continue with this PhD programme after the project end.

Topic overview

- **Quality assurance -**

Topic overview

- **Quality assurance** - Several evaluation forms were presented and accepted for use in the project, also in conjunction with online questionnaires.

Topic overview

- **Quality assurance** - Several evaluation forms were presented and accepted for use in the project, also in conjunction with online questionnaires.
- **Dynamic portal** -

Topic overview

- **Quality assurance** - Several evaluation forms were presented and accepted for use in the project, also in conjunction with online questionnaires.
- **Dynamic portal** - The web portal <http://www.see-dsmath.eu> was agreed to be operational in the next few weeks.
- **Dissemination** -

Topic overview

- **Quality assurance** - Several evaluation forms were presented and accepted for use in the project, also in conjunction with online questionnaires.
- **Dynamic portal** - The web portal <http://www.see-dsmath.eu> was agreed to be operational in the next few weeks.
- **Dissemination** - It was agreed to create short press releases about each of the activities, which could be used easily on the project website.

- **Quality assurance** - Several evaluation forms were presented and accepted for use in the project, also in conjunction with online questionnaires.
- **Dynamic portal** - The web portal <http://www.see-dsmath.eu> was agreed to be operational in the next few weeks.
- **Dissemination** - It was agreed to create short press releases about each of the activities, which could be used easily on the project website.
- **Miscellaneous** - The masters level courses in modeling and financial maths were discussed, as well as the credit system for the entire PhD programme.

Tuzla TEMPUS participation

- Consortium initial meeting in Sarajevo (Activity VI.1.1.) - Fehim Dedagić

Tuzla TEMPUS participation

- Consortium initial meeting in Sarajevo (Activity VI.1.1.) - Fehim Dedagić
- Workshop on PhD structure in Graz (Activity I.2.1) - Fehim Dedagić

Tuzla TEMPUS participation

- Consortium initial meeting in Sarajevo (Activity VI.1.1.) - Fehim Dedagić
- Workshop on PhD structure in Graz (Activity I.2.1) - Fehim Dedagić
- Training in use of IT in mathematical modeling in Graz (Activity V.1) - Nermin Okičić, Elvis Baraković

Tuzla TEMPUS participation

- Consortium initial meeting in Sarajevo (Activity VI.1.1.) - Fehim Dedagić
- Workshop on PhD structure in Graz (Activity I.2.1) - Fehim Dedagić
- Training in use of IT in mathematical modeling in Graz (Activity V.1) - Nermin Okičić, Elvis Baraković
- Young researchers workshop in Ohrid (Activity I.2.2) - Fehim Dedagić, Vedad Pašić, Sanela Halilović

Tuzla TEMPUS participation

- Consortium initial meeting in Sarajevo (Activity VI.1.1.) - Fehim Dedagić
- Workshop on PhD structure in Graz (Activity I.2.1) - Fehim Dedagić
- Training in use of IT in mathematical modeling in Graz (Activity V.1) - Nermin Okičić, Elvis Baraković
- Young researchers workshop in Ohrid (Activity I.2.2) - Fehim Dedagić, Vedad Pašić, Sanela Halilović
- Workshop in Mathematical modeling and Financial Mathematics in Podgorica (Activity IV.1.4) - Fehim Dedagić, Nermin Okičić
